Spoken Languages

Bulgarian - native, **English** - C1, **Italian** - B2, **Russian** - B1, **Greek** - A2

Summary

I am a software developer with a passion for learning and turning creative ideas into practical software solutions. With experience in full-stack engineering, I stay updated on the latest technologies and design patterns. I enjoy solving tech challenges and working in team settings, where I value input and contribute to a positive, communicative atmosphere.
